SPIRIT

EXPLODES

6
7

We dedicate this year's GAUNTLET to the very Reverend John E. Baer, first principal of Marian High School. Father is currently Director of Vocations for the Diocese of San Diego and President of St. Francis College at Alcala Park.

It is to you, the Crusader of 1967 that he directs this message . . .

To the students of Marian High:

It was less than seven years ago that the Marian Pioneers gathered for their first day of classes and viewed the empty expanse that is now your school campus. Empty, true, but already filled with the hopes and plans of a happy and well-constructed school for the future.

We started with very little, materially . . . But we started with what was most valuable: the faith of many, the prayers of many, and a determination to succeed. These, plus the "joy of doing" add up to that indispensable quality for any school: its Spirit.

Your spirit is now evident—in the classrooms, on the sports fields, throughout the entire campus; it is a spirit of friendship, of loyalty, a spirit that accepts challenge and portrays a lively Christian faith. It is the Marian Spirit—unique and worthy of a just pride.

I am grateful to have had a part in the origin of this spirit and to continue to share in its goals as it grows and develops—through you and for you.

THEIR SPIRITED ACTION LIGHTS THE TORCH OF CATHOLIC EDUCATION

Under the spirited and dedicated leadership of the very Reverend Leo F. Lanphier, Marian High School is moving with a force never before achieved in her seven years of existence. Now we of Marian can honestly say: None can surpass her in the West.

MARIAN'S ASSISTANT PRINCIPALS

Assisting Father Lanphier in his enormous task is Assistant-Principal of Boys Father Ronald Mendonca. In addition to his administrative work: Father teaches Chemistry, Math III, Religion I and is faculty advisor to the Gauntlet

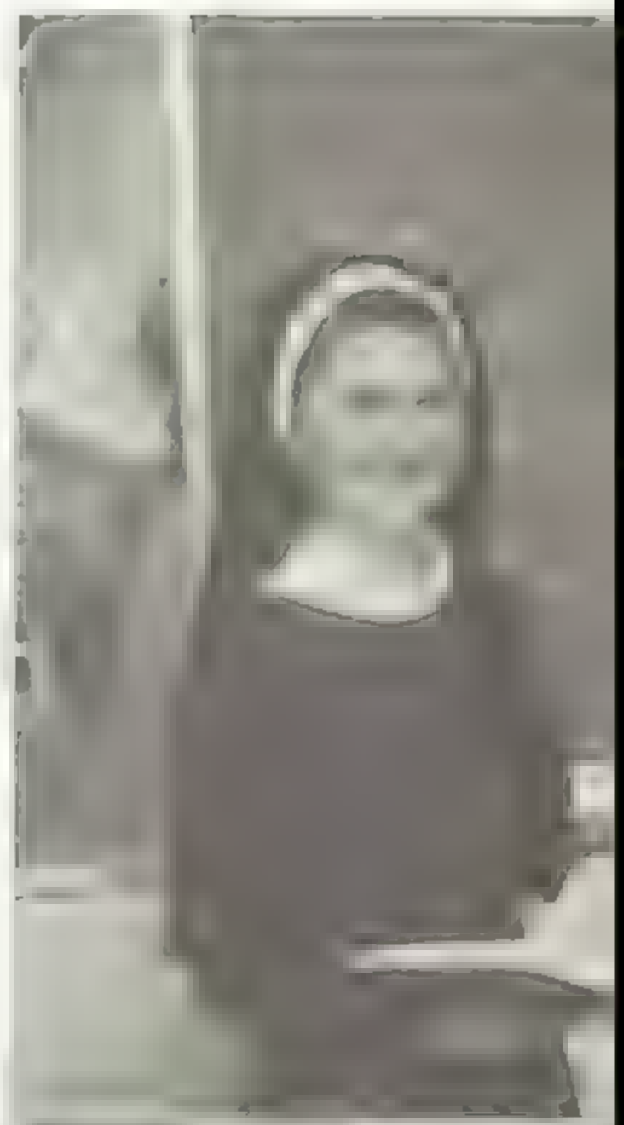
'Whate er is best administer'd is best
—Alexander Pope

Also assisting Father Lanphier is the Assistant Principal of Girls Sister Mary Aurelia. Although Sister teaches U.S. Government, Economics, and Freshman Religion, she is well known for her constant selfless devotion to "her girls

FACULTY

It is impossible to speak of a student body without acknowledging the center of that body's activities, that is, the faculty. It is only through the guidance of an enlightened Christian faculty that our education at Marian is possible at all.

Whether it be Chemistry or English, Math or Religion, foreign languages or History, our faculty helps us to build a window on the world around us. The sights seen from our privileged position prepare us, gradually, for the door of graduation.



Well known on campus is petite Sister Dolores Marie who teaches Algebra I, Geometry, Senior Math, and Religion I. Revealing the intricacies of Math Analysis to her Seniors Sister pauses for a breather.

New to our faculty this year is Sister Mary Ancilla (English III, IV, Religion I). Sister comes to Marian from Mercy High School in San Francisco.

Marian welcomes to her staff Father Beatty, PAGE advisor, whose dry wit makes Latin I, II, Journalism I?I and Religion II relaxed and interesting.

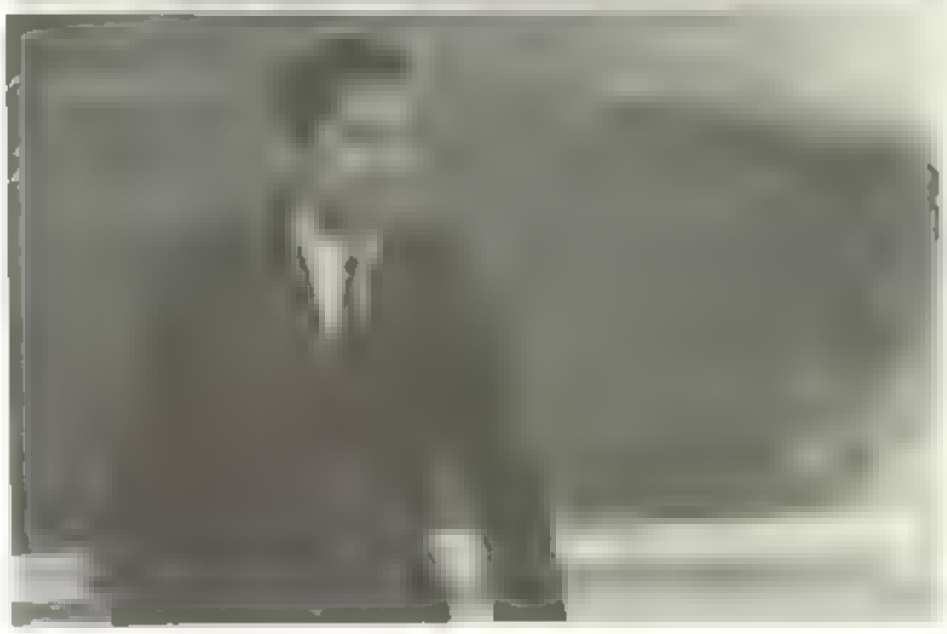
Rounding out our business education staff is Mr. Gray Elliott. Besides teaching Bookkeeping, Business Math, Economics, Business Law and Driver's Training, Mr. Elliott finds time to coach football, basketball and baseball and spends most of his spare time helping to beautify the campus.

Examining dissection in Biology is Sister Mary Vivian (Biology, Religion II, Clothing Art).

Hard at work drilling his pupils is Mr. Jeffrey Cerasoli (Latin III, IV, French I, III).

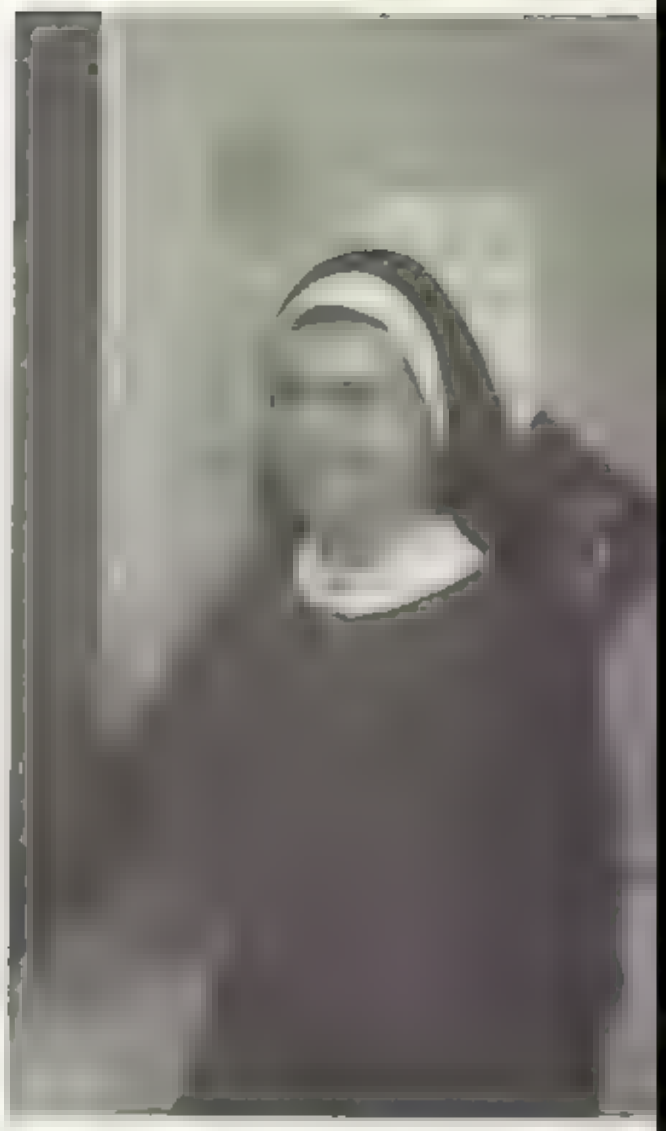
Typical of energetic and vivacious Sister Mary Lillian (Librarian, Religion V, Spanish I, II, III, IV) is her ready smile.

Delighted with a student's response, Mr. Dennis Gustin [illegible] deeply [illegible] of the [illegible]. Gustin teaches [illegible] Math I, Amer[illegible] and is the [illegible] counselor for boys.



Business before pleasure goes the old saying. But even in Typing I, Shorthand, Office Practice, Bookkeeping, or Religion, Sister Mary Flora makes business very pleasurable.

Teaching, exploring the wide world of literature with her Sophomores is Sister Mary Valerie (English I, II, Religion III).



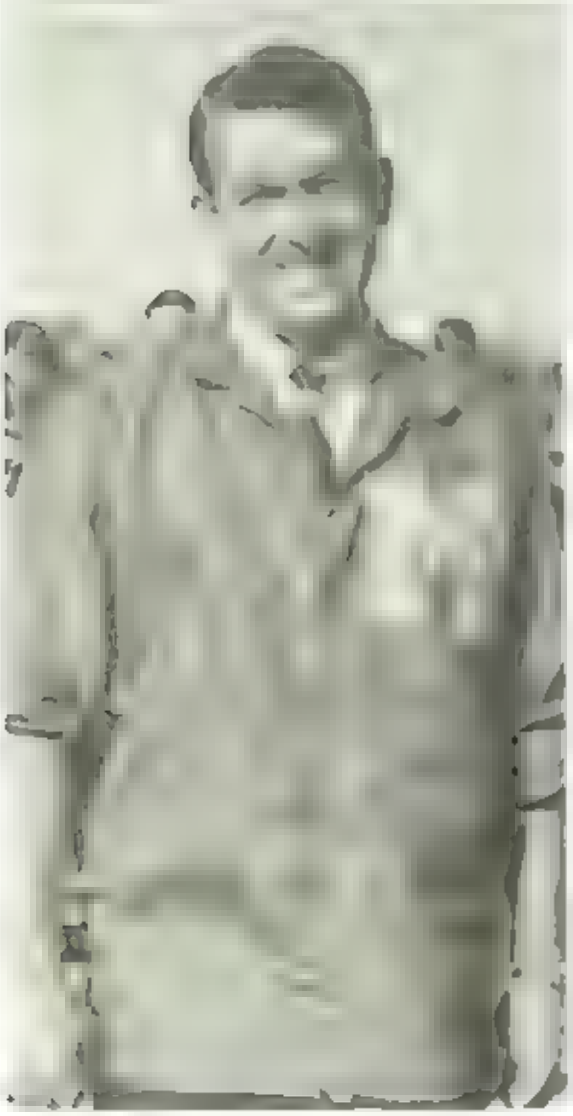
The smile on the face of the tiger. Not really a tiger. Mr. Eugene Marko is the Boys' Dean of Discipline and teaches English I, II.

Another new face on our campus this year is Mr. William Xander (English III, IV, History II).

Sister Mary Gertrude (Chemistry, Algebra, I, II, Religion IV, Music Appreciation, Glee Club Director) explains the Periodic Table.

¿Tiene una sonrisa para nosotros? Mr. John Atilano (Spanish I, II, English III) concedes

A tremendous asset to History I and the mainstay of Girls Physical Education is lively Mrs. Dudley Buck

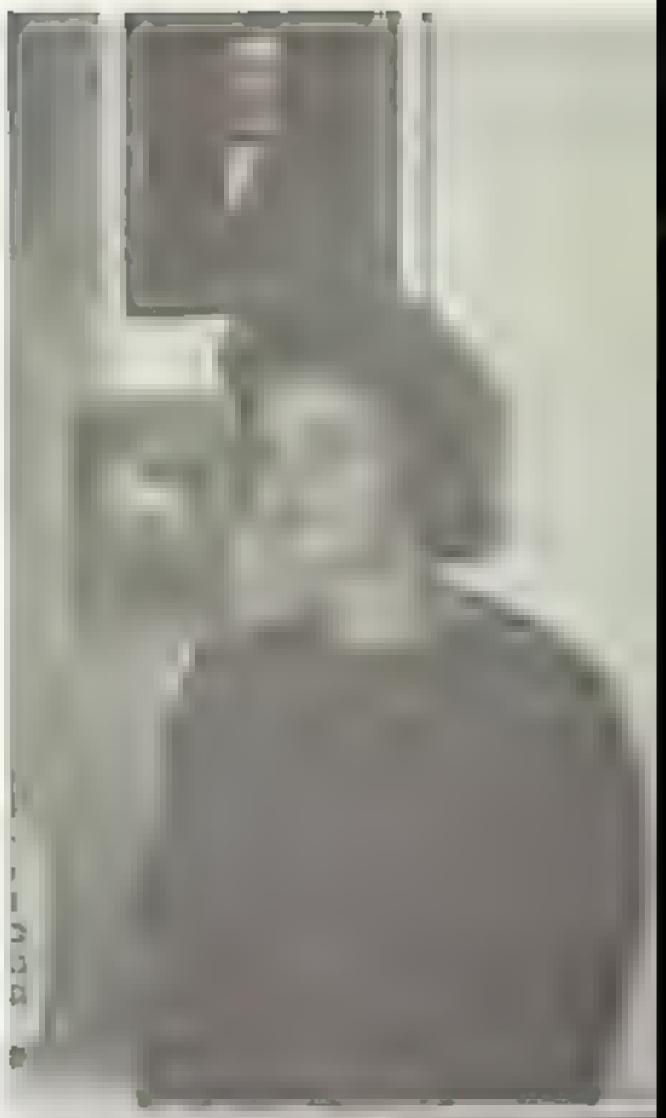


The freshmen have found in Mr. Walter Milton a staunch defender of their cause. Mr. Milton a newcomer teaches P.E. and coaches all of the freshman sports

Under the leadership of Mr. Dennis Gorsich, this year's Pep Club has been a rousing success. Besides making money with the selling of spirit ribbons and pep buttons, Mr. Gorsich teaches Math II, IV, and Typing IV

In his second year of teaching at Marian High School, Fr. John Bradley has broadened Marian's academic pursuits with the addition of a speech class. In addition Father teaches Religion III, IV, and counsels the students in their spiritual life.

Sparking students into new and exciting adventures in the arts seems to be the special province of Mrs. Jeanne B. Moyer (History II, III, Geography, U.S. Government). We of the annual staff would like to thank Mrs. Moyer for the interest and drive that has broadened the horizons of so many Crusaders.



Mr. Jan Chapman is a good example of the progressive spirit shown by the faculty of Marian. Besides teaching History I, III, he is the coach of three varsity sports football, basketball, and track, and is the moderator of the Junior Class.

Teaching his first year at Marian is Father Donald Casey. Biology, Religion III.

OFFICE PERSONNEL

The non-academic staff at MARIAN consists of the school secretary, bookkeeper, treasurer, and custodial staff. Contributing to the efficient management of the school program, these people often go unnoticed by students who are unaware of the various jobs performed by them. Let us introduce you to

Mrs. Warner seldom has a spare moment as MARIAN S school secretary and registrar

If balancing MARIAN S books was Mrs. Hrenchir's only job she would be a very busy woman But duty calls in many directions . . . phone mailmen and a thousand other indispensable chores

Constantly on the go is our efficient treasurer, Mrs. Arnold Besides serving in her official capacity, she attends to many jobs—such as the eternal "Do you have change?

Our library reflects the spirit of progress that pervades MARIAN 67 Not only hundreds of new books, but spirited students daily fill its walls. Meet Mrs. Bryant, our assistant librarian

MARIAN'S MAINTENANCE

"There is nothing small in the service of God."

—St Francis DeSales

There is certainly nothing small about the endless work done by our maintenance staff **Their** spirited action has been nstrumental in sparking a tremendous pride in our campus

Mr Robert Cade, Superintendent of Buildings and Grounds, is an exceptional individual, to say the least. With bricks, concrete, or lawn mower, he seems to be tireless in his efforts to improve the appearance of our campus

Pictured here is Mr Charles Inman our custodian. Affectionately known as "Charlie", students have seen him on campus for the past six years

SENIOR STANDOUTS

In every graduating class there can be found certain outstanding people who have manifested exemplary qualities of spirit, loyalty, dedication and scholastic achievement. On the following pages you will see eighteen Seniors who have consistently shown these qualities. By always striving to improve the image of todays teenagers in our community, our Church, and our school these students have shown the true Crusader spirit.

Academic libraries and challenging studies are the happy hunting grounds of CHRIS BUCEY and RICHARD GARNER.—MOST ACADEMIC of the Class of '67.

MOST LIKELY TO SUCCEED

TERESA (S) LEPOVITZ and JOHN (S) WARNER both share the common middle name of "Success", and will certainly open the gates to great accomplishments.

MOST DEPENDABLE

CRIS CUENCA and OSCAR PARRA may lean on the flagpole, but everyone else in the school leans on them for support.

BEST PERSONALITY

Sincerity and a friendly smile will always greet you whenever you meet LUPITA GARCIA, and PAT CARMICHAEL, who have earned the title of Best Personality

MOST HUMOROUS

There never was a group who wasn't won over by the wit and humorous antics of MARY BETH JENNINGS and MIKE DURHAM — Marian's Most Humorous.

MOST ATHLETIC

Taking the title of Most Athletic PAT McBRIDE and BOB MARUCA have shown outstanding skill and teamwork in rounding out the class of '67

MOST SPIRITED

It would take a brick wall to stop MAXINE NOFFSINGER and DANNY PADILLA from raising spirit at Marian and they have run away with the honors they deserve

BEST DRESSED

BARBARA JOHNSON and BILL DENTON have proven themselves to have class in fashions by always dressing with good taste which is why they were chosen Best Dressed of the class of '67.

BEST LOOKING

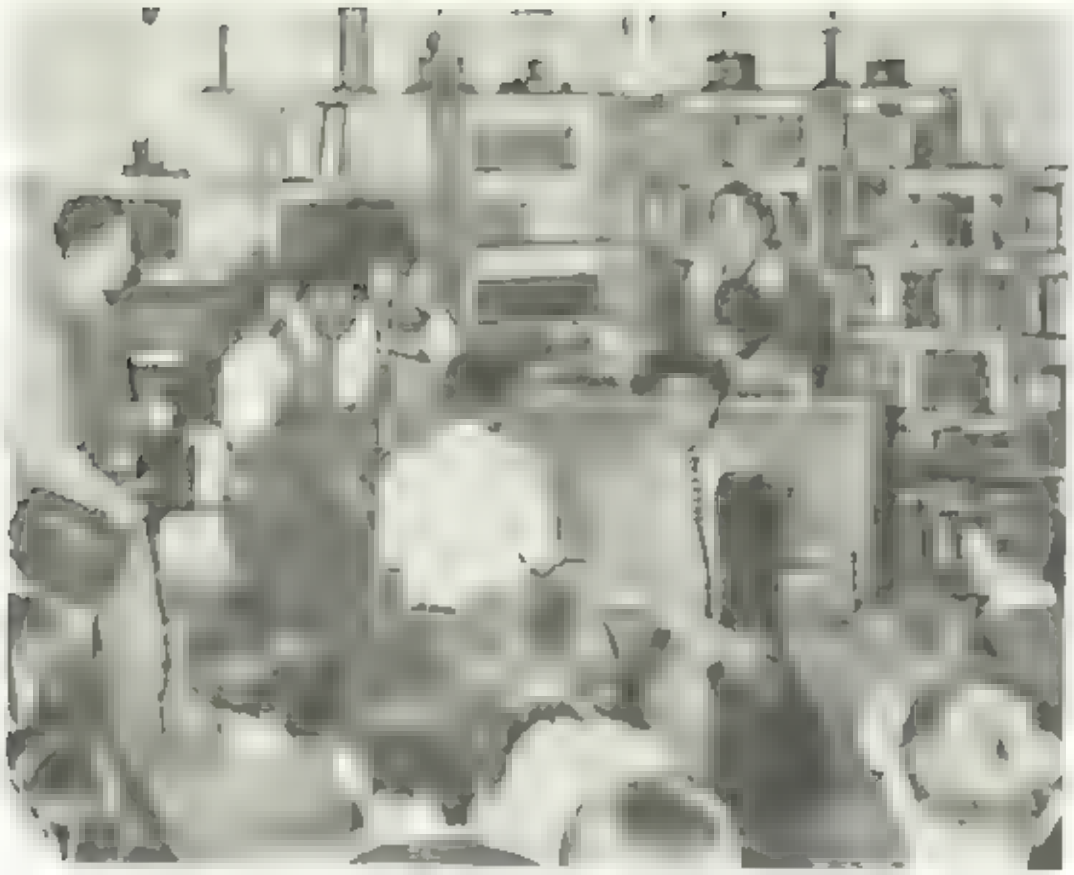
You don t have to look twice to see why PATSY CUMMINGS and JIM BURBAGE got together for this picture, don't you agree?

THE FACES OF TOMORROW

We are the Seniors

Autograggghhhh

Patty cake patty cake



Your feets too big All night long

Go Navy

Are you kidding?

At seventh period that afternoon we all filed into the library. Someone put on a record, and sixty Freshmen girls looked across the room at sixty Frosh boys

That was the year we first saw each other. But things happened quickly, and changes took place so rapidly that three Frosh socials later between subtle notes of laughter and ravaged yellow pencils chewn during Algebra class, we looked at one another quite differently.

Whether we realized it or not, the ties of unity which now so warmly surround us, were beginning to form then. Yet all things so good, and growing through the years, are hardly explained so simply. They come in technicolor.

RED—For Father Keith's class singing Christmas carols at the talent show . . . . . , in April

YELLOW—For Letterman initiation as Frosh.

For dragging bleachers around the football field.

BLUE—For two canceled Sophomore dances

For our well-planned June beach party, when we got to the beach at four o'clock and the Strand closed at Five

BROWN—For protecting your lunch from swooping seagulls on the football field

For Ivy-Day, when upon our muddy hands and knees we planted ivy . . . . . for posterity?

GOLD—For elaborate Christmas decorations only on the lowest branches of the Senior tree

But if one moment were not to proceed to the next, if our purposes here were not those of growth and preparation, but of permanence . . . . then such memories would lose their sweetness and become dust in the wind

It was to Marian we came for preparation and it is because we came here together that we leave prepared. For these have ben OUR years . . . . . WE . . . the class of '67, to be . . . . moving on.

Perched atop the nearest mound of popcorn balls we find the Junior class resting peacefully on crates of toothbrushes. Chant the magic words, "Buy a cupcake," and you'll find that they disappear from view and enter the world of "Muffled Madness." The Junior class is a victim of a dread disease called "Prom Panic". Symptoms: an acute tendency to sponsor fund raising projects that results in a little nervous nail biting around the month of May.

But the Junior year is more than simply prom planning. It is the beginning of the end of high school. The Junior class of 1966-67 rushed things slightly, by purchasing their Senior gift, the school marquee, while they were yet Sophomores. Their scholastic achievements are positive testimony to their possession of brains and their ability to apply them successfully. The Juniors have been highly active members of all clubs and organizations on campus.

In actuality there is only one way to describe the Junior class—perpetually gung-ho.

Sophomores are like the weather: mostly sunny with a definite possibility of dense fog in the "upper regions". It is said that the outstanding ability of the Sophomore class is the ability to do the least with seemingly the most effort. But this year's Sophomore class has successfully channeled their tons of vivacious enthusiasm into the support of every school activity

All those, whether of the past, present, or future, who survive this year of trial are the possessors of one important grain of knowledge—the world has no defense against a smile

Freshmen are all at once the darlings, the scapegoats, and the innocents of a high school. Fresh from the shelter of grade school and relatively unexposed to the rigors of being a teenager in high school, the freshman students of 1966-67 have proved themselves

Scholastically, the freshmen have done well and in spirit they are on an equal par with the rest of the school. Everyone agrees that the freshman football rally was the best. Initiation was accepted with good humor by most. The number of freshmen participating in extracurricular events illustrates the fact that the freshmen have become well-rounded students

Hark ye to the fresh greenies who will soon be running the show!

The Knights and Ladies of St. John is the foremost spiritual organization of Marian High. Much was said about the new name, but after a good explanation the name fell right in with the great Crusader spirit exhibited throughout the school year.

Previously the word "spiritual" tended to discourage students from participating in the organization. However, after witnessing the renewed "spirit" shown by the Knights and Ladies in their many candied apple sales, group discussions, canned food drives, and their mixed retreat, students are now seeking membership in this fine Sodality.

Its practical and spiritual end is a closer knit student body with a strong devotion to our Blessed Mother.

Before and after school, the Amateur Radio Club Station is on the air, communicating to other amateurs throughout the country. WB6SUY (the call designated to the club by the Federal Communications Commission) has been active in all sorts of Amateur Radio activities.

The Marian High School Amateur Radio Club's main activity each year is to "open the door" to anyone interested in communications and to help him obtain an Amateur license, so that he too might be a part of the fascinating hobby of amateur radio. The necessary code and theory to obtain an amateur radio license is taught to anyone expressing a sincere desire to become a "ham" radio operator.

If you've been wondering about the imaginative posters which seem to pop up all over the school right before a game, you might be surprised to learn that they are the product of our silent, but active, Pep Club

You may remember the "old" Pep Club of last year on which we won't waste any words. Well this year has brought a new, more organized, better representative club For one thing—efficient members are elected, two from each section, to represent that section. In this manner the club has been limited in size, 41 members, including the cheerleaders. The club's moderators are Mrs Buck and Mr. Gorsich, who give advice and lend time and help to the projects

The Pep Club is primarily organized for stimulating spirit and enthusiasm for all Marian inter-scholastic athletic events. With the new wood-framed posters, cleverly designed ribbons, and witty run-throughs, they seem to be doing a good job. By the way, all of these projects are designed and produced by club members and other interested students

The Pep Club of Marian High School 1966-67, has sufficiently achieved its purpose which was evident in the high spirit and support of the students for our excellent teams

The Revelers, the dramatic society of Marian, was the first club to have its constitution approved. It meets monthy and is open to all. The main objective of the Revelers is to develop enthusiasm and talent, and to produce the many dramatic productions of the school. To become a fully accredited Reveler, a student must earn sixteen points, each point representing two hours of work on rehearsals, stage, or business staffs. Until they become active members, all aspirants to Reveler membership are referred to as candidates. Recognized active Revelers have the privilege of wearing the official Reveler pin.

Elected officers include Pres. Bob Maruca; Vice President, Marolyn Johnson; Secretary, Rojean Hyde; Treasurer, Bill Giandoni; and Sergeant at Arms, John Collet.

Each year, the ten outstanding Revelers are appointed members of the National Thespian Society. Officers of this selective club are Pres., Dave Palmer, and V. Pres., Marolyn Johnson.

CRUSADER DAY

Hoc est enim corpus meum

Crusader Day is a time of spiritual renewal for Marian students—a period for reflection and growth. It begins with Holy Mass and closes with the formal presentation of the Student Leader Awards and Benediction of the Blessed Sacrament. In order for a student body to be solidly united it must work together spiritually as well as physically, socially and academically. The initiation of Crusader Day has made this a reality.

A TOUCH OF NEW ORLEANS—

MARDI GRAS

On February 6th and 7th, the Marian campus was the scene of what proved to be a highly successful and swinging Mardi Gras, complete with costumes, prizes and fun. The wide variety of booths set up served to provide entertainment for the whole family. They included a serene little Duck Pond for the mild mannered and a Water Balloon Toss for the more aggressive in nature. Also in abundance were food and free prizes. The Grand Prize awarded at the ticket drawing was a 1967 Chevrolet Impala. Each day of the festivities was concluded with dancing to the sound of a live band. And last but not least was the coronation of the Mardi Gras King and Queen, Pat O'Neill and Patsy Cummings.

This gala event was sponsored by the P.T.G. together with the support and aid of the entire student body.

MARIAN UNDEFEATED IN PRE-SEASON

MARIAN - 39 POWAY - 39

Marian s 1967 football season began with a thrilling contest against its long standing rival. Crusader spirit was at an all time high for this game. We were out to end the rumor that the Titans were going to be champs again. Against seemingly overwhelming odds, Marian jumped to a 21-0 lead in the early minutes of the game. After an interception and a fumble the Titans closed the gap making the score 21-20 at the half Poway's fumble at the kickoff helped increase Marian's lead. The game ended in a tie and the Crusaders undefeated

MARIAN - 19 WEBB - 0

In their second game Marian faced the defending Class A Champs at Webb. The first to score was Dennis Seely as he swept around the left end with a 35 yard run. John Warner tallied the second touchdown. The remainder of the game seemed as if it would be scoreless with the defense battling it out. Suddenly with only a few minutes remaining George Gonzales ran through the middle for a 20 yard touchdown play

MARIAN - 21 CALIPATRIA - 20

Marian was facing its last threat to an undefeated season before league play when they met undefeated Calipatria. Marian was the first to score with Jerry Herrera carrying in a one yard run. They followed by scoring an all important extra point Calipatria came came back to score but failed on the extra paoint as Marian took the half time lead 7-6

The rest of the game remained close, Calipatria scoring with a minute and a half remaining to make the score 21-20. Then pulling a successful onside kick, they seemed to have the advantage with the ball now on our 30. However, Marian countered with a brutal rush by ends Mike Durham and Pat O Neill pushing Calipatria back to the 40. With 4th down and long yardage to go they had to pass Happily the pass landed in the hands of Jerry Herrera and Marian won another game

MARIAN 28 - ARMY-NAVY 0

Under the direction of Tom Brocato, who was replacing injured John Warner, the Crusaders mounted four scoring drives with halfback Dennis Seely crossing the goal line for three of the four scores. Pat O Neill was responsible for the other score, catching a 36 yard pass from Brocato. Marian's defense during this game was excellent as they kept Army-Navy on their own side of the field most of the game

MARIAN 19 - ARMY-NAVY 13

Tom Brocato connected with Pat O'Neill for three touchdowns of 35, 30, and 15 yards in this close and exciting game. Marian was ahead 12-7 at halftime but found themselves behind 13-12 going into the final quarter. It remained this way until less than one minute in the game when Brocato threw his third touchdown pass. The defense held the Cadets to four plays and time ran out

MARIAN - 53 RAMONA - 0

Marian's first game with Ramona before a large homecoming crowd had many thrills although the outcome of the game was never in doubt. The Crusaders scored eight touchdowns and at least one in every quarter while holding off all Ramona scoring threats. One of the high points occured when John Collet picked up a fumble and scored making him the highest scoring lineman on the team.

MARIAN - 45 RAMONA - 0

When Marian went to Ramona for their homecoming, they found it not so easy. Marian was held scoreless in the first quarter and left at half time leading only 13-0. However after the first half they got rolling and scored 32 points. Dennis Seely scored 4 times on runs of 1, 2, 7 and 11 yards. John Warner, playing his first game since his injury, got a 5 yard touchdown run. Ernie Candelaria and George Gonzales supplied the rest of the scoring.

John Warner gets fine yardage from quarterback keeper against San Marcos

MARIAN - 0 SAN MARCOS - 7

This was Marian's best and most exciting game. With one minute remaining to play, the score was tied 0-0 with San Marcos having possession of the ball on Marian's 25 yard line. Marian had stopped all their previous scoring threats by intercepting 4 passes and picking up 3 fumbles. Then San Marcos completed its first pass of the game and they took the lead 7-0. The Crusaders did not give up and in this very short time took the ball down to the 30 yard line before losing it on downs

In this game Marian was willing and fighting to avenge their only loss. It was a close game until Bob Maruca had to leave because of shin splits. Then the defense caved in and the Knights could not be stopped as they scored four touchdowns Marian could muster up only two scores

Dave [illegible] puts up a long one for two points against Mar Vista

THE 1966-67 SEASON

Marian's 1966-67 varsity basketball team proved to be the best in the school's history. The outstanding squad did everything from setting a San Diego County scoring record to winning the CIF championship.

In pre-league play they had a big win over Mar Vista 69-59 which made Marian the Imperial Beach Basketball champs. The next night they went out and beat one of the school's biggest rivals Poway.

During Christmas they traveled to El Centro to take fourth place out of sixteen teams in the Elks Tournament. In the first two games they beat Grossmont League's El Cajon and Monte Vista. The third night they were upset by El Centro to ruin their hopes for the championship. For their excellent showing in the tournament, Bob Maruca and Dave Clingan were named to the all Tournament team.

In league play, Marian had little trouble in defeating each league team four times to obtain a perfect 12-0 record and the school's first Palomar League Championship. They passed the century mark four times and at least once against each team in the league. Against San Marcos they scored 124 points to set an all time San Diego scoring record. At the end of the season Marian was crowned the top offensive team in the county.

In the final game of the season Marian faced the top defensive team in the county for the CIF championship. However, they found little trouble and beat La Jolla Day 92-60. This set a scoring record for a championship game.

The talented ten ended the season with a 19-6 record, a 12-0 league record, a CIF championship, and many San Diego County and School records.

ALL-LEAGUE

Marian accomplished a first in the history of the Breitbard Athletic Foundation when it put four men on the five man All Palomar League team. Of the four Dave Clingan was named "Player of the Year." Dave compiled a 19.7 league scoring average which was tops in the league

Mike Durham a 6 0" center and Pat O'Neill a 6 2" forward were also named to the honor squad. Mike was fourth in the league in scoring with a 14 point average. Pat took the league's fifth place scoring position and was the team's second leading rebounder

Steve Bajo, only a junior, was the fourth Crusader selected. He was the leading rebounder on the team and was runner-up in the league scoring race

Besides placing four on the first team, Bob Maruca was named to the second team and John Warner made honorable mention

Marian's freshman basketball team's 12-7 record was the best in the school's history for a freshman team. Like the varsity and the Junior varsity squads they set a record for the most games won in a season and established a game high scoring record.

In pre-league play they compiled a 4-3 record with big wins coming over Saints and Coronado. Saints had beaten them earlier but the frosh came back to even the score.

In league play they were 8-4 and came in second. Their only losses came from San Marcos, who in one game only beat them by one point. Even up to the last game, they were in the running for the title, but could not come up with the big win.

On this outstanding team Ron Modic led all scoring with a sixteen point average. John showed his talents and led the team in rebounding. Matt Decker, Phil Bojo, and Jim Bryant proved to be great assets to the team.

Under the guidance of Mrs. "Coach" Buck, Marian has introduced a new sport; girls basketball. Working out daily, the girls prepared for their first encounter with an opposing feminine five. Although the sport is usually regarded as a man's game, these girls have attacked it with an unusual enthusiasm. They made a tremendous showing in their first two starts although losing both hard-fought games. Their inexperience was their only handicap as they played schools with greater depth. Katie Watkins and Georgie Teague are two of their top stars

BASEBALL '67

Diamond action in the pre-season stints produced some surprising results. After dropping the opener to Poway 9-2, the Crusader nine bounced back defeating Coronado 1-0 with a brilliant one-hitter from Tom Stuart. Mar Vista was the next victim of the heads-up Crusaders, succumbing 3-1. The next three games yielded no visible profits as the Metro leaguers Coronado, Hilltop and Chula Vista handed our team consecutive losses, Marian's batters improved impressively but mental errors were taking their toll The Lions Tournament provided stiff competition but Crusader "Hittin & Hurlin" sparked considerable attention towards Marian. Avenging their former defeat the Crusaders embarrased highly-touted Hilltop 5-3, while Steve Bajo and Oscar Parra scattered seven Lancer safeties. Next morning Stuart went the distance, shutting out Monte Vista 2-0 giving the Crusaders access to the semi-finals against the Dons of University. Unfortunately errors proved to be Marian's downfall as all Marian's eight runs were well, well earned, resulting from nine hits

For Seniors Bob Gutierrez, Ernie Condelaria, Oscar Parra, Bill Denton, Mike Abraham, Bini Rojo, and Jacob Stohler, should prove highly successful. As for Steve "Duke" Bajo, Jerry "Golden Glove" Herrera, Tom "Hound-dog" Stuart and Steve "Pee-Wee" Reed, we would like to wish continued success

Brian French pitches the J.V.'s to a Victory over Poway

Marian's 1967 Junior Varsity baseball team may prove to be the best in the school's history. Under the guidance of Coach Wages the young team has shown a great deal of promise. Nine-tenths of this team are sophomores. It has had a fine pre-season and should do well in the league. In the first game they beat Poway 6-5 and a little later blanked Bonita Vista's varsity 14.0. Terry Daly and Brian French led the pitching attack with Pat Procopio behind the plate. A few of the other stars are power hitting first baseman Charlie McCarthy, Mike Bajo, Oscar Ortiz, and Mike Prisbyllo.

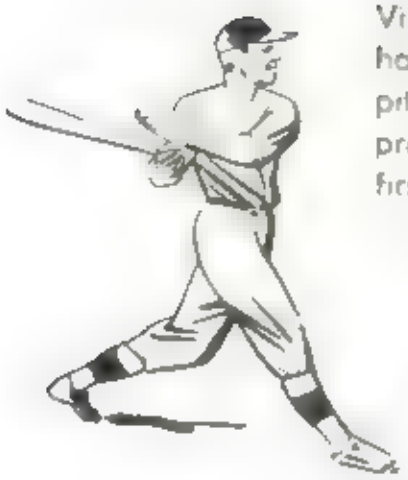
R. Garner, R. Seewald, D. Leonard, P. Bajo

Of all the fine athletic teams the class of 1970 has come up with this year, the freshman baseball team is obviously the best. This, unlike most teams, does not have a weak spot. They have three excellent pitchers in Al Luna, Ron Modic, and Rick Garner, and many exceptional fielders. Besides playing outstanding defensive ball, they all hit very well.

The frosh infield is made up of Ted Veling at first, Geronimo Macasieb at second, Ron Modic at short, and Rick Garner at third. The outfielders include Matt Decker, Jim Bryant, and Phil Bajo. Rudy Tello is the team's catcher and does an excellent job behind the plate. From their excellent performance it can be seen that Marion won't have to worry about getting good baseball players for a long while to come.

In preseason play the frosh came up with many wins and a few disappointing losses. Two of the biggest wins came over Saints and Bonita Vista. The victory over Saints marked the third time this year that they have overcome their crosstown rival. Against Bonita Vista, Al Luna pitched a fabulous game as the frosh beat their J. V. Team. From their preseason record it appears that this will be the team to bring Marion its first freshman Palomar League championship.



TRACK

Back Row: F. [illegible] T. Bro[illegible]to, M. D[illegible]ham, D. Rod[illegible]ez, J. Blakely, B. B[illegible]nett, R. [illegible] Santos, J. Baker, P. O'Neal, G. Gonzalez, J. Mohr, W. Wilga, J. Pr[illegible], D. Seely, A. K[illegible], B. M[illegible] Middle Row: M. [illegible], T. Wright, [illegible], B. [illegible], S. R[illegible]ez, M. Eisenbeck, A. Garza, P. Leonard
Bottom Row: J. Kirkpatric, M. Zinn, R. Olivares, J. Horan, K. Miller, A. Leon, F. Wong, B. Blakely, A. Sobieck

This year's track team is [illegible] of the most [illegible] we have in the school's history. From last years results and from the first track meet of the year, it is easy seen that this prediction might come true. In the distances we have two miler Tom Br[illegible] and miler R[illegible], both of whom were the league champs last year in their respective races. Mike Durham who took second in the [illegible] last year has come to the fore and is now where he has turned in an excellent time. Jim Mohr and Frank [illegible] from many long weeks of preseason training have developed into two excellent runners. Jim has concentrated on the [illegible] and has [illegible] late mile. Frank [illegible] years 660 star is running the 440 at a very fast pace.

In the sprints we have speedsters [illegible] George Gonzales, Andy [illegible], Dennis Seely and Danny Pad[illegible]. All four have turned in [illegible] 10.5 hundreds in George Gonzales has the [illegible] record with 10.2. Jim Blakely another fast man is Marion's best 220 sprinter. Representing Marion in the hurdles are Dave Rodriguez and Mike Durham in the highs, and Bob Marquez and Dennis Seely in the lows. Bob [illegible] in that event.

The field events find Marion with some very [illegible] contenders. In the weight [illegible] strong Pat O'Neal is likely to break many records. In his first attempt this year he cleared 5' [illegible]. Bob Marquez shows have little trouble winning the shot put as he has thrown over 44 feet seven times. Mike Durham and Graham Suggs have both cleared 9' after having pole vaulted for only one week in their lives.

The B team also shows a lot of promise with such men as [illegible] Jim G[illegible] high hurdlers Pat Leonard and Mike Eisenbeck, sprinter Tom Wright, high jumper Jim Mohr, broad jumper A. Garza, and all around star in Bob Lastrico. The C squad made an entry [illegible] have little trouble in taking the league. Some of the speedsters are Rick Olivares, Mike Zinn, P. Blakely, and M. [illegible]. Frank Wong and John Kirkpatric should keep them in contention in the field events.

On a whole Marion is looking forward to one of the finest track seasons ever.

Beautiful
This last year
has been lots of
fun knowing you and
everything we did. Keep it
Cool Baby and Stay like
you are PERFECT love
Andy

Janine: its hard
to put this last
year into words
but don't forget
it, because it
taught many
lessons stay
like you are and
you'll go far
Kathee

Janine,

It's been wonderful knowing
you throught this short year, but
we still have our memories, to look
back on - No? Key in touch and
God Bless you always.

Love
D. De La Rosa

67.

See ya
next year
post Duke!
Jim

Janine,
It's been really great
knowing you this year, and
being able to call you my
friend. We had our little
jokes in religion - which
made the class interesting.
You've got a great personality -
keep it up. See ya next year.
Judy
'70

Janine - we've
enjoyed your company
very much this year
and we hope you
enjoy your senior
year just as much
Love
Mr. Frank
